*All Medical and Dental Plans and Rates are subject to Regulatory Review and/or Approval.

*Employers are responsible for sending an electronic or printed copy of the summary of benefits and coverage (also called an "SBC") to plan participants and beneficiaries. To access your groups SBC's, go to https://sbc.anthem.com/.

*This summary of benefits has been updated to comply with federal and state requirements, including applicable provisions of the recently enacted federal health care reform laws. As we receive additional guidance and clarification on the new health care reform laws from the U.S. Department of Health and Human Services, Department of Labor and Internal Revenue Service, we may be required to make additional changes to this summary of benefits. This summary of benefits, as updated, is subject to the approval of the California Department of Insurance and the California Department of Managed Health Care (as applicable).

*The Anthem Blue Cross medical and dental premiums displayed in this proposal are based on the census information provided and the zip code rating region designations in Health Connects' system. Some zip codes may have a dual county rating region. Health Connect has defaulted these zip codes to the most populous county. However, once Anthem Blue Cross receives the enrollment the county may be updated based on the physical address. To improve the accuracy of this proposal, insure the correct rating region designation is noted for the Employer. Rating regions can be referenced in the rate guide Final rates are set by Anthem Blue Cross.

*New Hire rates are based on the employee's age as of his/her coverage effective date. If this is a "New Hire" quote, please make the necessary changes in your census to reflect the true age of the new employee.
