

2020 Covered California for Small Business Prescription Drug Search Instructions

Below are instructions to search for prescription drugs for Covered California carriers.

Blue Shield of California (PPO & Trio HMO)

1. Go to: <https://www.blueshieldca.com/pharmacy>
2. Click on the “Small group plans 1-100 employee groups” box in the Drug formularies section
3. Select the “2020 Standard drug formulary” option in the “Individual and Family Plan and Small Groups (1-100 employees) including Covered California” section.

Kaiser Permanente (HMO)

1. Go to: <https://healthy.kaiserpermanente.org/health-wellness>
2. Open up “Formulary” below the “Drugs & natural medicines” section
3. Click “Covered drugs”
4. On the next page, click “Find out what drugs are covered in your area.” then choose your region
5. Select the “California Marketplace Formulary”

Health Net (PPO & EnhancedCare PPO)

1. Go to <https://www.healthnet.com/>
2. Click “Shoppers” to open the menu and select “Small Group plans” on the left side
3. Choose “Drug Lists” on the right side of the menu in the middle of the page
4. Select the “Health Net Small Business Group – Essential Rx Drug List (pdf)” under the “Small Business Group” section

Oscar Health (EPO)

1. Go to <https://www.hioscar.com/search/>
2. Click “Select a network” under the “Just browsing” header
3. Select your coverage year, coverage area, then “Employer-provided” for coverage access
4. Search through the search bar or under printable resources, select “List of covered drugs”
5. Then select the PDF for your plan (i.e. “California – Oscar for Business”)

Sharp Health Plan (HMO)

1. Go to: <https://www.sharphealthplan.com/search/search-drug-list>
2. Scroll down and choose one of the options under “Individual, family & employer-sponsored coverage through Covered California”
