Re: Plan Sponsor ID: <PSUID>
December 31, 2016 Discontinuance

Important: Your Vitalidad Mexico con Aetna Coverage Will Not Be Available After December 31, 2016

Dear Plan Sponsor:

We have decided not to continue your group's current health plan coverage, Vitalidad Mexico con Aetna ("VMCA") after December 31, 2016. This means **you may need to choose a new plan for your VMCA group members to have health insurance coverage**. This letter explains the options available to you.

Options from Aetna

We have selected a new Aetna plan for your VMCA group members that's similar to their current plan and utilizes an existing Aetna Network in California. **We'll automatically enroll your group members in the [NEW PLAN NAME] in the forthcoming renewal notice unless you choose another option.** Below are key differences between the new coverage and the current coverage. You can review all the benefits and coverage for this plan at www.aetna.com.

- Premium – Your new premium starts in January 2017. Your monthly premium will be identified in your renewal statement. This will be an estimate based on current enrollment. The amount may change depending on the individuals who actually enroll in the plan. **Check to see if you have other options at: www.HealthCare.gov.**
- Refer to your Summary of Benefits and Coverage, which will be sent under separate cover, for benefit changes and cost-sharing changes.

You can choose any other small group coverage offered by Aetna. Call 1-800-343-6101 or visit www.aetna.com to learn about plans available to you.

Options from SIMNSA (Sistemas Medicos Nacionales, S.A. de C.V.)

You may elect to purchase a plan directly through SIMNSA to provide coverage in Mexico. Please contact SIMNSA at (619) 407-4082 or www.simnsa.com for more information on available plans.

How to explore your health coverage options

As your renewal date gets closer, we will provide you with information about Aetna plan options. You can also call or visit the plan's website to check which doctors, other health care providers, and prescription medications are covered by the plan. This is an important step when choosing a plan that meets the needs of your group members.

Please contact your broker to discuss this plan and other Aetna plans available to you. You may also want to talk about whether any other options are available.

When do I need to make a decision?

You generally can buy coverage any time. If group members enroll by the 30th day of the month, coverage can begin on the 1st of the following month.

We are notifying your employees

Federal law requires that we notify all group members with this coverage that it is no longer being offered. Because we might not know about other coverage decisions you have made, we'll tell your employees to check with the plan sponsor or administrator about coverage options that might be available through your organization.
