Regulatory changes effective October 1, 2019

Dear Group Administrator:

We are writing to inform you about regulatory changes that may affect pharmacy co-payments for some of your employees. Your group previously purchased or renewed into one or more of our 2019 plans prior to the time that these regulatory changes were made. The affected co-payment amounts were different at the time of your group's purchase or renewal. As a result of these changes, your employee's co-payments will change on October 1, 2019.

What is changing?

Tier 1 co-payments have been changed as reflected in the enclosed table.

These changes are being made to address regulatory requirements. Affected members will receive a letter outlining the changes. Included in that letter will be a table that will provide the copayments prior to October 1, 2019 and the copayment October 1, 2019 and after. Also, the Evidence of Coverage (EOC), will be amended for each affected plan. To obtain a copy of the 2019 EOCs, and the amendments, log onto <https://employer.anthem.com/eea/public/login>.

Please note: your employees will receive instructions on how get their EOC and amendment.

We value your partnership and remain committed to you and your employees. As always, if you have questions please contact your agent or call our Customer Service team at 1-855-854-1429.

Sincerely,

Colin Havert
Vice President and General Manager
California Small Group Business
