Every effort is being made to ensure that members continue to have access to their current primary care physicians and specialty providers through alternate medical group affiliations.

Members affected by this change are being notified that, as of December 1, 2018 Anthem Blue Cross will assign them to alternate participating medical groups. A new Anthem Blue Cross identification (ID) card reflecting this change will be mailed to them no later than five days before the December 1, 2018 effective date. Members should familiarize themselves with their new medical group as the hospitals and specialists available through their new medical group may be different from those offered by their currently assigned medical group. Members can also use the *Find a Doctor* feature at www.anthem.com/ca to see what providers are available to them. Please advise your enrolled employees that there will be no disruption of care and all benefits remain unchanged.

If your employees have any concerns regarding their care, they may contact their Anthem Blue Cross customer service representative at the toll-free number listed on their ID cards.

We appreciate your continued support and loyalty. If you have any questions concerning this matter, please contact your Anthem Blue Cross Account Manager.

Sincerely,
