

Your EmployerAccess tool just got better!

Find your most important tasks easier and get them done faster

We heard your feedback – so now it's easier than ever to do business with us. Thanks to a cleaner visual design, your most important interactions with Anthem are now simpler with EmployerAccess. What's not changing? The convenience. But now, you can also use the tool on a phone or tablet. So you can get business done wherever you are.

Here's a preview of some of what's been upgraded:

Simpler, cleaner navigation

The dashboard moves from using tabs to a layout that's easier to choose what you want to do. Just scroll down to the section you're looking for. Plus, you'll now see a personalized welcome when you log in.

- See your **Group Name**, **Group Number** and the **Switch** option for access to multiple groups.
- View and resume **Unfinished Activities**.
- Get a complete employee and/or dependent by choosing **View Employee Listing**.
- Load all of your enrollments at one time with our **Online Census Templates**.
