RE: Verity Medical Groups

Dear Client:

This letter is to inform you that following **Verity affiliated medical groups: All Care Medical Group, Allied Healthcare Providers and Verity Medical Foundation (collectively "Verity") will discontinue all services on July 1, 2019.** Members currently enrolled with Verity will be transferred to alternate participating medical groups.

Every effort is being made to ensure that members continue to have access to their current primary care physicians and specialty providers through alternate medical group affiliations.

Members affected by this change are being notified that, as of July 1, 2019, Anthem Blue Cross will assign them to alternate participating medical groups. A new Anthem Blue Cross identification (ID) card reflecting this change will be mailed to them no later than five days before the July 1, 2019 effective date. Members should familiarize themselves with their new medical group as the hospitals and specialists available through their new medical group may be different from those offered by Verity. Members can also use the Find a Doctor feature at www.anthem.com/ca to see what providers are available to them. Please advise your enrolled employees that all benefits remain unchanged.

If your employees have any concerns regarding their care, they may contact their Anthem Blue Cross customer service representative at the toll-free number listed on their ID cards.

If you have any questions concerning this matter, please contact your agent or you may call us at 1-800-627-8797 and a representative will be happy to assist you.

Sincerely,

J. Brian Ternan
President, Commercial Business
Anthem Blue Cross of California
