SMALL GROUP PRIVATE EXCHANGE
FAST FACTS
FOR BUSINESSES WITH 1-100 EMPLOYEES

AT CALIFORNIACHOICE®, WE'VE WORKED
WITH THE BROKER COMMUNITY TO HELP
SERVE CALIFORNIA SMALL BUSINESSES FOR
OVER TWO DECADES.

PROVIDING GREATER ACCESS TO HEALTH CARE SINCE 1996

CaliforniaChoice[®] was the first private, multi-health plan insurance exchange available to small businesses. Today, CaliforniaChoice serves more than 19,000 businesses with 1 to 100 employees and over 320,000 members.

GREATER ACCESS TO HEALTH CARE

Employee Choice: the concept of giving employees the power to compare different health care options and select the one that best meets their individual needs. Together, with the help of our health plan partners, we offer the greatest access to doctors, specialists, and hospitals in the state, in one program:

- Eight different health plans
- HMOs, PPOs, HSAs, EPOs, HSPs
- Full and limited networks

For example, one of your employees might choose a PPO from Anthem Blue Cross because of a particular doctor or hospital in their network, while another employee who is looking for a low copay plan may select an HMO from Kaiser. A third employee might prefer a health plan serving only their community: Sharp Health Plan or Western Health Advantage. Whatever your employees' needs may be, it's their *Choice*!

CALFORNIACHOICE IS PROUD TO OFFER ACCESS TO THE FOLLOWING HEALTH PLANS:

COST CONTROL

Controlling costs is possible with Defined Contribution because **you choose** how much to contribute.

Contribute a Fixed Percentage (50% to 100%) of a specific benefit, or simply contribute a Fixed Dollar Amount for each employee. Your employees apply your generous contribution to whichever health plan and benefit plan they prefer. If an employee selects a plan that costs more than your contribution, he or she pays the difference.

And when you renew your benefits during open enrollment, you have the option to change your contribution, giving you complete control over what you spend on employee benefits each year.

1. CHOOSE A SINGLE, DOUBLE, OR TRIPLE TIER

1

TIER

SINGLE TIER: Offer employees access to the health plans and benefits available in a **single tier**.

2

DOUBLE

DOUBLE TIER: Offer employees access to the health plans and benefits available in **two neighboring tiers**.

3

2. DEFINE YOUR CONTRIBUTION

CaliforniaChoice offers both online and paper enrollment. We also offer onsite enrollment meetings where we will come to your office – with your broker – and walk your employees through our program. And, managing benefits during the year is simple. Every month you'll receive just one bill that can be paid online, by check, or in person – it's as streamlined as it gets.

RENEWAL IS JUST AS EASY

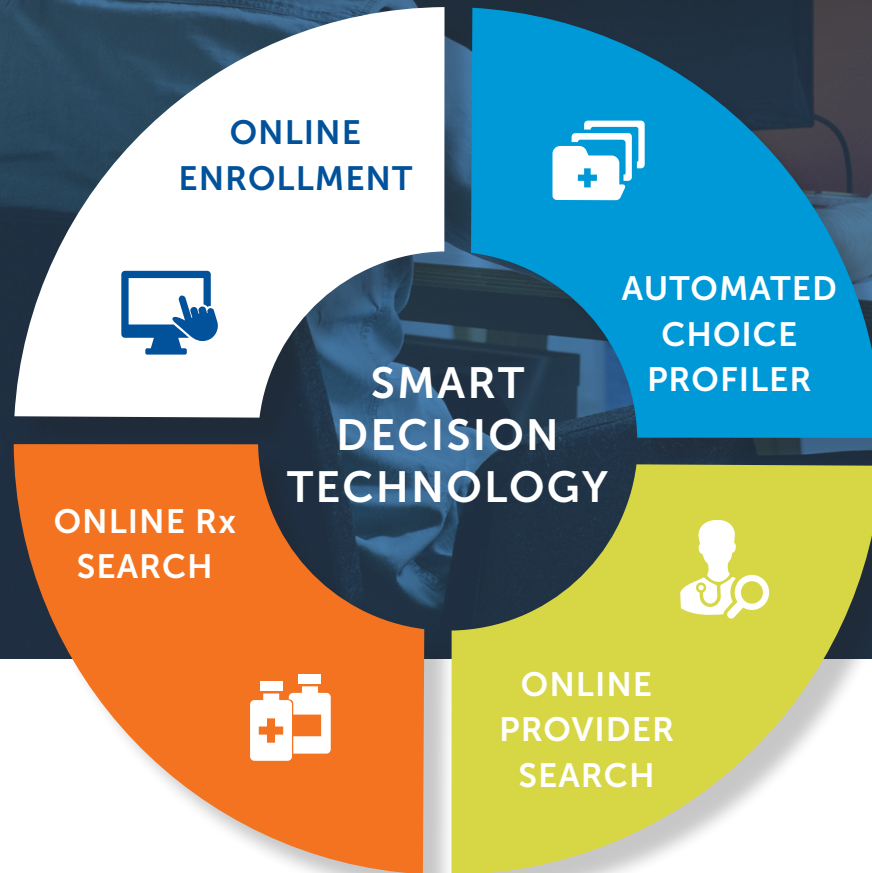

At renewal you can increase or decrease your contribution amount for employee and dependent coverage. Employees also have the flexibility to change their health plan and/or benefit plan, or they can keep what they have – all without leaving the program.

GREAT SERVICE YEAR-ROUND

We take service seriously. In fact, when you call us you're likely working with someone who not only works for CaliforniaChoice, but is also a member like you and who understands the program, inside and out.
