Dear Valued Client,

A key priority at Health Net is providing you with timely and relevant information about your health plan. This letter contains information about changes to your Health Net Dental and/or Vision coverage effective date.

In an effort to streamline and provide consistency, we're updating your Health Net Dental and/or Vision coverage effective date to align with your Health Net medical effective date of 12/1.

What this means to you

This means that you will receive a dental and/or vision rate pass until your renewal on 12/1/2016. You will still receive your dental and/or renewal package along with your medical renewal package for 12/1/15.

We appreciate your business and thank you for making us your trusted health care partner. For more information on ACA-related topics, log onto www.healthnet.com/employer/reformguide. For information about Health Net's Small Business Group plans, please call your broker or Health Net Account Manager at 1-800-447-8812, option 2.

Sincerely,

Scott Shaffer
Director, SBG Account Management
