

Health Net's Find a Provider

FIND A PROVIDER – FAST!

With Find a Provider, you'll quickly find the most up-to-date listings of qualified in-network doctors, urgent care centers, hospitals, and other types of healthcare providers near your home or work.

Find providers online. Here's how:

- 1 Start by visiting our home page **myhealthnetca.com** to click on *Find a Provider*.
- 2 Enter a location (address, city, county or zip code) and click on *Select your plan*.
- 3 Select your health plan or network (HMO – Ambetter HMO IFP or PPO – Ambetter PPO IFP), and then click *Continue*.
- 4 Choose to search by specialty, facility/group name, provider name, or the NPI (National Provider Identifier) or, Choose a Category to select the type of provider you need (medical professionals, medical facilities, Behavioral Health, etc.).
- 5 You can narrow your search within these categories, and then further filter the results using the filter options on the left side of the screen, including distance, languages spoken, gender and office features.
- 6 Finally, you can **select *Print*** to print your search results.

Find provider details needed to complete your enrollment application or change your primary care provider (PCP).

To select or change your PCP, you'll need their **Physician ID# and Group/PPG ID#**, found by clicking *Show Details* in the doctor's profile.

Note: To enroll with a doctor as your Primary Care Provider (PCP), the provider must be designated as a PCP. When viewing *Show Details*, look for the green check mark next to "Primary Care Provider" to confirm eligibility.
