FORTUNE

"This isn't magic or even the health care of a distant future. It's a modern-day twist on the doctor's house call provided by Heal."

THE WALL STREET JOURNAL.

"The Heal app sent an excellent Stanford-trained doctor to my door to check out an injury in under an hour."

The Washington Post

"The fact that Heal appointments can easily fit into [patients'] lives is key."

Si, hablamos español.

© 2019 Get Heal, Inc., All rights reserved. Heal is an administrative and technology service provider that connects its users with Heal Doctors. Heal does not employ any healthcare professionals. Medical services in your area provided by Heal Doctors, an independent medical practice. Heal Doctors provide mobile, non-emergency medical services in your area. Services other than the services provided by Heal Doctors during the in home visit and which are obtained through a third-party service, including prescriptions, lab work, and imaging, are billed separately and a separate copay will apply. When a copay is required, separate copays apply for each family member receiving care. See your Policy for details regarding applicable cost shares.
