More Ways to Satisfy in Q2!

Health Net is reducing participation requirements in Q2!

35% participation is all it takes for groups with 6–100 eligible employees to offer Health Net. Smaller groups (1–5) can join with 66% employee participation. Plus, it's easy for your small business customers to find their fit with a choice of plans in our EnhancedCare PPO Choice package. *Here's how it works:*
