

Find the perfect fit

Employees have a wide range of vision care needs and preferences. MetLife’s Supplemental Vision Benefits for **Davis Vision** offer the flexibility to meet the unique needs of your workforce. With more options, you can feel confident you’re giving them the perfect fit.

Options to create the right fit for your organization

Second Pair	Offer coverage for two pairs of glasses rather than one—or glasses and contacts.
Safety Eye Care	Deliver more for employees whose job requires specialized safety eyewear. Covers specialty materials that meet Occupational Safety and Health Administration (OSHA) safety guidelines.
Digital Vision Care	Includes digital device use and eyeglasses with computer/digital media specific lenses (in addition to the exam and eyeglass benefits covered under their standard plan).
Diabetic Eyecare	Provide additional coverage to diabetics who may have specific ophthalmological conditions, as well as glaucoma and age-related macular degeneration. It also includes preventive retinal screenings for those who are not yet showing signs of diabetic eye disease.
Low Vision	Include services for employees whose eyesight cannot be corrected to 20/70 with the use of optical lenses. Includes an evaluation, testing, treatment plan, and if approved, coverage for additional vision testing and aids.
Child Vision Care	Provide coverage that extends vision benefits further for children. Allows for two comprehensive eye exams and one pair of glasses every year, with some additional benefits.
Light Protection	A materials benefit for employees and their dependents to help protect against UV or blue light exposure. It contains a frame allowance that may be applied toward non-prescription sunglasses or ready-made non-prescription blue light filtering glasses.*

*Lab-fabricated Plano lenses are not covered

MetLife Vision benefits are underwritten by Metropolitan Life Insurance Company, New York, NY. Certain claims and network administration services are provided through Davis Vision, Inc. ("Davis Vision"), a New York corporation. Davis Vision is part of the MetLife family of companies. Like most group benefit programs, benefit programs offered by MetLife and its affiliates contain certain exclusions, exceptions, reductions, limitations, waiting periods and terms for keeping them in force. Please contact MetLife or your plan administrator for costs and complete details.

1. In-network coverage not available at retail chains including Costco® Optical, Walmart and Sam's Club.
2. The following are not allowed. If these items are provided, the patient's benefit for lenses and frame will not be covered: rimless and plano.
3. All lens enhancements are available at participating private practices. Maximum copays and pricing are subject to change without notice. Please check with your provider for details and copays applicable to your lens choice. Please contact your local Costco, Walmart or Sam's Club to confirm the availability of lens enhancements and pricing prior to receiving services. Additional discounts may not be available in certain states.
4. Your actual savings from enrolling in the MetLife Vision Plan will depend on various factors, including plan premiums, number of visits to an eye care professional by your family per year and the cost of services and materials received. Be sure to review the Schedule of Benefits for your plan's specific benefits and other important details.
