

# Now it's easier to manage dental benefits on myuhc.com.<sup>®</sup>

We've made some improvements to [myuhc.com](http://myuhc.com) that will make viewing your dental benefits and managing your dental plan easier than ever.

**All your information is in one place!** You'll find all of your dental plan information on myuhc.com now along with your medical plan information. For example, select Claims and you'll see all medical and dental claims in one place.

## Other key improvements:

- **Ability to get your Explanations of Benefits (EOBs) online.**
- **View and print your dental ID card from the member website.**
- **View much of the site on a smartphone.**
- **More easily search for a dentist in your network. Use Google<sup>®</sup> Maps to get directions to the dentist's office. Log in so you only see dentists in your network.<sup>1</sup>**
- **View much of the web content in Spanish, if you like.**

## Like always, you'll also be able to:

- Look up benefits.
- Log in and use the Dental Cost Calculator tool to find what your network dentist will charge for a service based on your plan's benefits. This helps you plan for out-of-pocket costs.<sup>2</sup>
- Learn about oral health and how it plays a role in overall health.

**Questions? Contact Customer Care at the number on your ID card.**

## Dental Cost Calculator:

The Dental Cost Calculator is an easy-to-use tool that tells you what your dentist will charge you for a procedure. You'll be able to see what your plan will pay and what you will pay. The Dental Cost Calculator gives you the information you need to shop for dental care. This tool is available for most plan types.<sup>2</sup> Check it out!

<sup>1</sup> Not all plans include networks.

<sup>2</sup> Not available with Select DHMO or Direct Compensation plans.
