TASC Compliance Product Demonstrations:
April - June 2019

We invite you to attend our complimentary compliance demonstrations. We have 4 demonstrations to choose from. Please use the links below to select the sessions that interest you. All times are Central Standard Time.

I.   FMLA

FMLA administration is time consuming, costly, and complicated. Our cutting-edge TASC FMLA administration helps employers limit risk, reduce workload, and save time. Join us for this demonstration to learn about TASC's administration capabilities for our FMLA product. This includes a view of the FMLA employer portal, sample letters, and sample reports.

IV. Compliance Central Dashboard

The driving concept behind the Compliance Central Dashboard is simple: identify and proactively address potential compliance risks. The dashboard is both a compliance tool and a sales tool. Join us for a walkthrough of this unique TASC product.
