What to Expect Once You Submit Your Claim Request for Disability Payments

After your claim is submitted, a claims specialist may need to gather any additional information from you, your employer, and/or your health care provider(s). If your request for benefit payment is approved, you will receive your Short Term Disability payments weekly. You can expect a call from your Principal claim specialist to discuss the following in greater detail.

- Return-to-work possibilities
- Proposed treatment plan
- Daily activities
- Social Security disability status

The focus for any claim request is to look at return–to–work opportunities in your regular job using:

- Job Modification or restructuring
- On-the-job therapy to assist with work related duties
- Possible temporary placement to another job until you can return to normal duties.

When you Return to Work

You need to notify Principal when you plan to return to work, either part-time or full-time, or have returned to work already to avoid any overpayments.
