

More Incentives for You in 2022!

HEALTH NET'S BROKER INCENTIVE PROGRAM CAN GIVE YOUR BUSINESS A BOOST

When it comes to your book of business, you have a lot to look forward to! Starting January 1, 2022 Health Net is offering new broker incentives to help get you off to the races.

When you offer Health Net plans, you can be sure your clients – our members – are getting the coverage they need at the price they can afford. And, you can **know you're getting the best combo of value and quality for your clients – and your business.**

The 2022 Broker Incentive Program for Health Net's Small Business Group medical plan new sales (including sales through CalChoice) is now in place. **Brokers will receive \$60 per member for each new small business employer group sold.**

i For details and program guidelines, [click here](#) or contact your Account Executive.

Important details

- In the event that any qualifying group cancels or is canceled during the first 12 consecutive months of the plan, one hundred percent (100%) of the incentive will be subject to a charge back.
- Program is valid for 1/1/2022 through 12/1/2022 effective dates.
- Health Net reserves the right to change or terminate this program.

**Don't wait,
