New sales bonus

For agents who sell or convert new fully insured and level-funded medical plans with up to 100 eligible employees

UnitedHealthcare is offering a bonus to agents who sell new UnitedHealthcare fully insured and level-funded medical plans or who convert existing UnitedHealthcare fully insured medical plans to UnitedHealthcare level-funded medical plans with up to 100 eligible employees, with effective dates from Oct. 1, 2023, through Jan. 31, 2024.

Eligible cases are new UnitedHealthcare fully insured and level-funded medical groups or existing UnitedHealthcare fully insured medical groups (who convert to UnitedHealthcare level-funding) with up to 100 eligible employees with effective dates from Oct. 1, 2023, through Jan. 31, 2024. Only cases with a California situs are eligible for this bonus program.

New sales bonus: Agents will receive a bonus of \$60 for each enrolled employee in new eligible medical groups sold during the bonus period.

Conversion bonus: Agents will receive a bonus of \$60 for each enrolled employee in an existing eligible medical group which converts during the bonus period.

Bonus example: An eligible agent sells 3 *new* eligible medical groups having a total of 80 enrolled employees with effective dates during the bonus period. The same agent converts 2 *existing* eligible medical groups having a total of 50 enrolled employees with effective dates during the bonus period. That makes the agent eligible for a bonus of \$60 for each enrolled employee in the 3 *new* groups, and another \$60 for each enrolled employee in the 2 *existing* groups, and therefore they earn a bonus of \$60 times 80, plus another \$60 times 50 for the 2 conversion groups, for a total bonus of \$7,800.
